As America salivates over the \$590 million Powerball prize won by a Floridian, we're reminded that winning the lottery will not solve all problems.

In fact many people's lives became notably worse after they got super rich, and they managed to lose it all in no time.

\$10 million lottery jackpot winner now lives paycheque to paycheque

Nine years after cashing her winner's cheque, Hamilton lotto winner Sharon Tirabassi is catching the bus to her part-time job so she can support her kids and pay the rent.

Commitment Example

Here's An Example

I'm committed to follow every step of Real Estate Inbox Academy. I've been in real estate since 1992 and consider this to be my "third rodeo". Being 59 and closing an average of 70 homes for the last 4 years, I feel and see the market moving again. I know that something has to change, that being ME! I want to thank you William for letting me take action! I just sent out the lead resuscitation email and I got 3 calls! One if for a listing appointment and the other two are buyers who are now "ready" to buy. Thank you so much William. I can't wait to dig in to the rest of the academy modules! THANK YOU! – Sarah Hutchens

SUBJECT: Taking You Off The List?

Hi, just checking in... I realize
I've been sending you emails for a while
and we've never really talked, etc.

And I don't want to be seen as one
of these "spammers" who are sending
stuff you're not interested in.

So, would you like me to take you
off our email list?

Or are you ok with getting our updates
until you decide you need our services?

Just let me know either way...

Thanks,
